Camp Disciplinary Policy

Camp is meant to be a fun, educational and recreational activity. For the benefit of all campers, it is important that children behave appropriately within the summer camp. If it becomes necessary to take disciplinary action against a student, the steps that will be followed are outlined below.

1st Incident: The camper will receive a verbal warning and an explanation as to why the behavior is inappropriate (whenever possible, this will be done in a one-on-one setting removed from other campers).

2nd Incident: Staff will determine an appropriate consequence for the camper's actions, examples may include but are not limited to: (a "time out" or exclusion from participating in an activity, suspension "without tuition reimbursement"). The camper's parent will be notified of their behavior when they arrive to pick up the child. An incident report will be completed and copy will be available for the parent.

3rd Incident: The child will be excused from camp without a tuition refund.

The Camp Executive Director and Staff of Tallevast Community Center reserves the right to bar any child from summer camp following a first incident in cases of serious behavior problems or inappropriate physical contact.
